LOCAL MATTERS.

WEATHER PROBABILITIES, July 12, 1882. For the Middle Atlantic States partly cloudy weather with local rains, variable winds, stationary temperature, and stationary or lower pressure.

A NIGHT RIOT IN ALEXANDRIA.—Last night about 10 o'clock the people residing on north Fairfax street were startled by cries of murder, the blowing of whistles and the rushing of police, followed by a large crowd. The cause of the excitement was a regular riot near the Washington and Western railroad depot, between whites and blacks, male and female. The sum of "Bazzard's Roost" and "Petersburg," men and women, had congregated on the corner opposite the depot, while on the other corner was a number of white men. From the crowd of blacks Robert Beale, a burly negro, sallied forth in quest of the "best white man in the city." He soon picked out Almonzo Arrington as a man he considered worthy his notice. Arrington, so witnesses say, was not anxious for a fight, and so informed Beale, but Beale insisted, and the melee commenced, which continued until nearly all the men and women, too, present were involved. Upon some of the young men interfering to stop the fight, the negroes rushed upon them with bricks and compelled them to retreat. The white men rallied, and then commenced a general war, each side fighting for "fair play" for the two men scratching and biting each other on the ground in the middle of the street. The negro women acted as "ammunition monkeys" for the men, supplying them with bricks as fast as needed. The riot continued until Mayor Beckham arrived on the ground with a squad of police, when the following were arrested: John Truslow, Charles Leary, Edward Payne and Fannie Grandison. The first two were released for their appearance when wanted, as it was believed they had nothing to do with the riot. The battle over it was found that Arrington, besides being badly scratched and bruised about the face, had the entire lower portion of his chin bitten off, causing a very ugly wound. Others received wounds in the back and head by flying bricks during the bombardment, which was violent during its continuance. Razors and pistols were displayed by the negroes, but no one was cut or shot. This morning a large crowd assembled at police headquarters expecting a trial of the rioters to take place, but the Mayor committed Payne and the Grandison woman to jail, and continued the examination until Beale and others could be arrested. While the proceedings were in progress at the office Arrington handed to the Mayor a piece of flesh about as large as a silver half dollar, covered with short, black bristly hair, which he said was the lower portion of his chin, bitten off by Beale. The Mayor ordered Arrington to take the piece of flesh off his back and cover up the bleeding wound on his face, which he did. The piece of flesh of Arrington's chin was picked up early this morning on the ground where the fight took place. Beale, who has not yet been arrested, is reported to have a bad looking face, presenting the appearance of having been caught in a "chewing" machine.

CORPORATION COURT.—Judge Meade presiding. (Continuation of yesterday's proceedings.)—*Com. vs. Geo. Turner, colored, indicted for stealing a boat from George Grillbortz;* jury and verdict guilty and term of imprisonment fixed at three years in the penitentiary; judgment suspended to hear arguments on a motion for a new trial. The Judge appointed Commonwealth's Attorney Marbury, Judge Chase, E. Stuart, Col. Morton, Mr. Col. Francis L. Smith, and Edmund Burke a committee to petition the City Council to so improve the square on Cameron street in front of the Court House, so the business of the Court will not be interrupted by the noise of passing carts, as now; also to have repaired the cornice around the edge of the Court room ceiling, which is regarded as in a dangerous condition. The Commonwealth's Attorney with the consent of Court agreeing not to further prosecute Robert Edwards upon the warrant of the Mayor charging him with breaking and entering a shop with intent to commit larceny and committing larceny therein, the accused was discharged from custody. By and with wife vs. Davis et al; in chancery; decree for resale of property at the cost of purchaser. To-day Georgeanna Broadbeck vs. W. H. Muir; in chancery; decree confirming report of Commissioner Mushbach. Com. vs. Geo. Turner; indicted for grand larceny; motion for new trial overruled and prisoner sentenced to three years in the penitentiary in accordance with the finding of the jury. Court adjourned till Friday morning at 10 o'clock. There will be no August term of the court.

PROSECUTED BY THE HEAT.—Officer Jeremiah Franks found a man, a stranger, at the Alexandria and Washington Railroad depot yesterday evening so weak and sick that he could hardly walk. The officer assisted the man to the station house, where he gave his name as John Francis Johnson, of St. George's Island, Md., and stated that he went to Washington after some money due him, but failing to collect it, and being without funds, he walked back to Alexandria; that he had been overcome by the heat, but thought he would be better after getting some rest. He was furnished with accommodations at police headquarters, and this morning, being much stronger, left for his home.

INSTALLATION.—At a regular meeting of Lafayette Lodge, No. 11, I. O. M., last night Deputy Grand Architect George H. Hinken installed the following officers to serve for the ensuing term: S. M. Thomas, L. Kelley; W. M. John A. Travers; J. M. Clarence N. Moore; Rec. Sec., James H. Mansfield; Fin. Sec., J. W. Chauncey; Treas., Geo. W. Hall; Chap., Joshua Sherwood; Con., John E. McCuen; R. G. to W. M. Chas. W. Moore; L. G. to W. M. John W. Byrne; R. G. to J. M. Edgar F. Thompson; L. G. to J. M. T. A. Moore; I. G., Clarence Mills; O. G., Robert Meades.

MR. CAVE'S APPOINTMENT.—The *New Enquirer* says: "In view of the fact that certain would-be 'influential' gentlemen in Alexandria are claiming to have advocated Mr. Wm. A. Cave's appointment as superintendent of schools for the county, it is sufficient to say that not one of these gentry even knew that Mr. Cave was an applicant until they saw his appointment in the papers. It was fortunate for Mr. Cave that they did not advocate his appointment."

PEACH-PLUM.—A friend and subscriber at Danville, Va., sends us a few plums plucked from a peach tree growing at that place. They are plums to all outward appearance, but have the peach seed and kernel. They are doubtless nectarines.

The weather to-day, while very warm, has been a few degrees cooler than for the past week. The highest point the mercury in the thermometer has reached has been 89 degrees.

DEATH OF MRS. SIMPSON.—Mrs. Ann Simpson, wife of Market Master James W. Simpson, whose illness has been mentioned in the GAZETTE, died last night at her residence, on Columbus street, from pneumonia. The deceased was in the 79th year of her age, and was a highly esteemed lady. She was a consistent member of the Second Presbyterian church, and the funeral will take place from that church to-morrow afternoon.

BASE BALL.—A match game of base ball was played here yesterday afternoon between the first nine of the Alexandria Base Ball Association and a picked nine of the city, resulting in a victory for the Association by the following score: Association 27, picked nine 7.

A man from Louisa county, Va., created some excitement last night by attempting to jump from the balcony of Green's Mansion House, while suffering from delirium tremens. He was discovered before he had time to carry out his intention, and with the assistance of officer James Smith, gotten into his room, where he was attended by Dr. Brown. This morning he was greatly improved.

Downing, of the alleged firm of B. J. Burgess & Co., defendants. In chancery. Memo. The object of this suit is to enjoin and restrain Warwick P. Miller, trustee, and Peter Wind, trustee, their employees and agents and all other persons from making sale on July 1, 1882, as advertised in the ALEXANDRIA GAZETTE, of all the lot of ground and warehouses with dock and wharf property attached, lately belonging to Benedict J. Burgess, and situate on the east side of Union, between Prince and Duke streets, under a deed of trust from Burgess to Wise, dated April 15, 1881, to secure \$3,490.00 to Warwick P. J. Burgess and W. K. Downing, alleging themselves to be partners, trading as B. J. Burgess & Co., to John Kehoe, trustee, to secure the payment of \$9,558.00 to Alfred Lister and Edwin Lister, partners, doing business in New York city, under the firm name of Lister Bros., which said deed is evidenced by the three notes of Burgess & Co. to Lister Bros., viz: one of January 4, 1882, for \$2,209.68, at 60 days, with interest; one of December 22, 1881, for \$3,663.50, at four months, with interest; and the other of December 22, 1881, for \$3,685.50, at eight months, with interest. Miller, John Kehoe and Alfred Lister and Edwin Lister, comprising the firm of Lister Bros., not having entered their appearance and given security, according to the act of Assembly and the rules of this Court, and it appearing by an affidavit that they are not residents of this State, it is ordered that the said defendants appear here within one month after due publication of this order, and do what is necessary to protect their interest in this suit; and that a copy of this order be forthwith published in the Alexandria Gazette, a newspaper published in the city of Alexandria, once a week for four consecutive weeks, and posted at the front door of the Court House of this city.
